CAREER EXPERIENCE

January 1980 - Present | President - Strauss Construction Corporation. Experience includes overseeing all aspects of and development residential construction firm.

January 1999 - Present | Principal and Owner - Experience includes all aspects of overseeing residential and commercial construction firm.

PRINCIPAL

Mr. Strauss has the primary overview of Structures Design/Build as well as serving as its business manager. He has been involved in the construction industry since 1977. Upon moving back to Roanoke, he went to work with the family business, Strauss Construction Corporation. Since then, he has been responsible for the construction of over 2,000 single-family homes within the Roanoke Valley. His vast knowledge in managing people and resources and his experience in running a successful construction firm has enabled Structures Design/Build to be a successful construction firm in its seven-year history.

EDUCATION

Mr. Strauss graduated from the Hampden Sydney College in 1976 with Bachelor of Arts degree in Business.

AFFILIATIONS

Mr. Strauss retains several professional memberships, including: Past President and current board member of the Roanoke Regional Homebuilders Association, Past State Director of the Homebuilders Association of Virginia, Past President and current Board Member of Temple Emanuel, Past Cub Master of Pack 239, Past Board Member of Roanoke Symphony, Past President of the Roanoke Juvenile Diabetes Foundation.
